Future plans: After I graduate from Fleming High School I look forward to what the next chapter in my life holds. I don't quite know what I want to do with my life yet but I can't wait to dedicate my life to whatever I choose. I would like to maybe go into grass and turf management and work on sports fields. I am also interested in being a physical therapist assistant. I would like to try and walk on to some sport program in the State of Colorado so I can continue to do things I love. If I can't walk on to a school to play either football, basketball or baseball then I plan on attending Northeastern Junior College and taking general classes until I decide if I want to go into grass and turf management or if I want to be a physical therapist assistant. Even if I can't play college sports I plan on joining a city recreational league. I look forward to the next chapter of my life as I become an adult.
